### BIO

Its Automatik; M-town representer; (MEMPHIS) born and raised in Memphis Tn; Blackhaven Bound; Ive been on the underground scene for about 3years now; It all started just writting a flow a day;;as time went on the rhymes got better; i needed money to go to the studio; so i tryed to hit the block and sell rock for rock; but that wasnt me; the money was frustrating; cats would come with 8 dollars worth of change and maybe 2 green dollars; It wasnt worth the risk;but i will say they would repeat the same process every 10-15mins; i was use to hitting licks; I needed some real cash; so i started selling icy white T-shirts all over the city; I had the streets on lock; d-boyz would stop booming and jump in the car with me because i had the hottest product that everybody needed; ladies; kids; men; i even had toddler sizes; It got to the point were i had deals on em; I would have 10bundles at a time (72in a bun) 60 for the whole thang;or \$3-4 a piece;it was just like the dope game; but alot less risker than those stones;(a million wayz to hustle);(yedig) before the summer was over i had completed my first mixtape;It was on from there; i recorded my first song in the closet of a 2bedroom apt. then i hooked up with A1 Studio and thats were it got serious; I dropped my first mixtape called STRICKY STREETZ; dis was my first time in the booth; the Bluff City was feeling some of the cuts i had on there; but i knew i had to step my game up; so i hooked up with one of the hottest producers in the city (BIG ROE) I bought a track from him the first day i met him and dropped a hit to it all in one night; everysince then i aint looked back; thanks to networking; hard work and dedication; I started going to the open mic at the Boss night club every wedns. (straight shuttin it down) I hooked up with DJ Big Tiny and he put your boy on the hottest radio station in the M-town; Hot 107.1; I did a few show around the city; and now im working on my new album dropping in Feb called STRICKLY BIZZNESS; Its AUTOMATIK
