i produce music on a professional level for professional artists and musicians while discovering new talents for my own newly released project. Now as an independent artists, engineer, producer, and writer I found and operate Brainstorm Thunder Soundz (BTSz), an independent recording studio where we arrange, compose, copyright, engineer, master, mix, perform, produce, publish, record, and write our own CDs, MP3 Files, and Underground Music Videos. Our Thunder Soundz Music Bank consists of several classic hits like our Hip Hop and R&B ghetto smash hit Hundred Spokes and our grinding hard-core street anthem Gorilla For Skrilla. Form the A-Town to Soulsville from Cashville to Vegas I and my band (Da Brainstorm Family) have put it down from the south, north, east, and west. Now we want to share our music experiences with you, The World. Young Memphis has also produced movie scores for Mystar Entertainment Inc. For the past 2 years Young Memphis has been flooding the streets, making music, beats, creating new sounds in the studio. Peace, Love and Harmony is Young Memphis Motto. Why Can't We All Just Get Along, "Bout That Time".
