## BIOGRAPHY

Maestro B., born Memphis TN native to two teens on the 2nd day of January 1979. Real name Bryan A. Hines; is and has been a musician both vocally and instrumentally. As a small child I enjoyed listening to classical and gospel music. Because of the thickness and flavors of the music. From grade school through high school was involved in music. Through band, concert choir, and chamber choir; I learned a lot of different styles that have given me a different style from others. Interned with Shock the World Entertainment out of Tampa FL in 2000 and made tracks as a independent producer on the side. Also did some collaborations with other artist and with Illusion Records out of Kansas City MO. Moved back to Memphis TN and continued make tracks and making a name for myself. Looking out for that golden ticket on a every day basic.
